2009 Guzzlers help. I am working on a master database and maps for all the guzzlers in Klamath County and who is maintaining them. I am working with ODFW, USFS, BLM, State Forestry, etc; but I need your help to complete the process. You can help me by emailing me your name and location of those you have volunteered to monitor. Once completed, the maps and data sheets will be locked in our OHA safe. This will ensure the locations are never lost and we do not duplicate our work efforts. During our March Chapter meeting (**Mar 19, 2009**) I will discuss the guzzler plan for this year and seek volunteers for the guzzlers which have not been spoken for. If you are unable to attend the March meeting, please let me know by March 15, 2009 so I do not reassign your guzzler. Thanks for your help. Contact - Rick Vieira 541-591-2452
