HELP NEEDED

I want to thank every member and your families for your support of our Chapter. Each of you has given something to support our cause. I understand each of us have other things in life that take our time and money. The situation I am working on is trying to encourage more members to actively participate in our events and projects. In the last two months I have had to curtail the scheduled work on projects due to lack of people who can put hands on the work. By the numbers, less than 10% of our membership has volunteered for projects.

Our current priority need for volunteers are: Shasta Center Committee members, JWTR Signs and Guzzlers. We also have the FFA and Youth Antelope BBQ in August. Let me know if you can help the Chapter out.

If you would like to receive the newsletter via email, please email us at klamathoha@yahoo.com.

2010 Youth Day at Cottonwood Meadows was a huge success. Sponsored by the Lakeview Chapter, this year's event was attended by 113 kids. Our chapter is currently looking into a youth day of our own sometime next year. If you would like to help organize this event, please email us at klamathoha@yahoo.com.

In 2014 everyone will need to have an ATV card to order to operate an ATV. Currently they are being offered at no charge at www.rideatvoregon.org.

ODFW is seeking a partnership improvement with OHA and would like to have 1 board member from each chapter involved.
